

Unlock Your Sales Potential - The masernet ROI

The Sales Challenge: Manual Tender Assessment

Currently, highly qualified sales and bid teams waste valuable time manually screening tender portals and analyzing complex documents.

- Resource Drain: **3 employees × 2 hours/day**
- Annual Effort: **≈ 1,500 hours/year lost to administrative tasks**

The masernet Approach: AI-Powered Automation

masernet autonomously scans the global market, identifies strictly relevant tenders, and summarizes lengthy documentation into actionable insights.

- **Manual screening time reduced by up to 90%.**
- **Zero missed opportunities across 10,000+ daily tenders**

∅ **1,350 HOURS SAVED**

€81,000 COST REDUCTION

Strategic Advantages Beyond Cost

- ✓ **Speed to Market:** Faster, proactive tender responses
- ✓ **Revenue Growth:** Detection of previously missed opportunities
- ✓ **Global Scale:** Comprehensive, worldwide tender coverage
